

Overview Mimi Converse Winkler is a registered architect and a Principal of Converse Winkler Architecture. She holds a master's degree from Yale University and a bachelor's degree from Washington University in St. Louis. Projects by Ms. Winkler have been noted for their sensitivity to user's needs and for their relationship to context. She has experience in programming and masterplanning, urban design, schools, residences, and commercial projects. Throughout her career, Mimi Converse Winkler has been actively involved with residential design, from the renovation of her own home in Philadelphia, to a new vacation home on Fisher's Island in New York, and now to residential projects in the suburbs of Philadelphia.
